Notes to the financial statements

1. General

The Fund is an open-ended investment company organised as a public limited company (société anonyme) under the laws of the Grand Duchy of Luxembourg and qualifies as a société d'investissement à capital variable under Part II of the Law of 2010 and as an AIF within the meaning of the Law of 2013. The Fund offers investors a choice between several Sub-Funds. The Fund is subject to Part II of the Law of 2010 because each Sub-Fund may borrow up to a maximum of 50% of its net assets for investment purposes which is not permissible for investment funds subject to Part I of the Law of 2010.

As per current prospectus, the Fund has 4 Sub-Funds.

The Fund has appointed VP Fund Solutions (Luxembourg) SA as its external AIFM on 15 October 2018. Until 14 October 2018 Carnegie Fund Services S.A. was appointed as AIFM.

The financial year of the Company starts on 1 January and ends on 31 December.

As at 30 June 2019 the Company offered the following Sub-Funds:
Carnegie Wealth Management Fund SICAV – Alternativa Investeringar
Carnegie Wealth Management Fund SICAV – Räntebärande Investeringar
Carnegie Wealth Management Fund SICAV – Svenska Aktier
Carnegie Wealth Management Fund SICAV – Utländska Aktier

2. Summary of significant accounting policies

2.1. Combined financial statements

The various items in the combined financial statements corresponds to the sum of the corresponding items in the financial statements of each Sub-Fund, converted if necessary into SEK at the exchange rates prevailing on the closing date.

2.2. Valuation of investments

(a) The value of any cash on hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, dividends and interests declared or due but not yet collected will be deemed to be the full value thereof, unless it is unlikely that such values are received in full, in which case the value thereof will be determined by deducting such amount the Directors consider appropriate to reflect the true value thereof.

(b) Securities and money market instruments admitted to official listing on a stock exchange or which are traded on another regulated market which operates regularly and is recognised and open to the public are valued at the last available price on such stock exchange or market. If the same security or money market instrument is quoted on different markets, the quotation of the main market for this security or money market instrument will be used.

(c) Securities or money market instruments not listed on any stock exchange or traded on any regulated market or securities or money market instruments for which no price quotation is available or for which the price referred to in (b) is not representative of the fair market value, will be valued prudently, and in good faith on the basis of their reasonable foreseeable sales prices.

(d) Investments in investment funds of the open-ended type are taken at their latest net asset values reported by the administrator of the relevant investment fund.

(e) Futures are valued on the basis of the last available liquidation price on the futures market. Options are valued on the basis of their last available price on the concerned market.

(f) Swaps and OTC derivatives in general are valued at their real value, which is based on the last available price of the underlying security.

(g) Assets expressed in a currency other than the Reference Currency shall be converted on the basis of the rate of exchange ruling on the relevant business day in Luxembourg.
