### ADDITIONAL INFORMATION

#### 1) Scheme which is responsible for protecting your compensation

Your deposit is covered by a contractual scheme officially recognised as a Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would be repaid up to SEK 1 050 000.

#### 2) Limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum SEK 1 050 000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with SEK 700 000 and a current account with SEK 550 000, he or she will only be repaid SEK 1 050 000. In some cases, deposits in excess of SEK 1 050 000 are insured, specifically when the deposit is attributable to certain special transactions, e.g. sale of a private residence. Additional information is available at [www.insattningsgaranti.se](http://www.insattningsgaranti.se).

#### 3) Limit for joint accounts

In case of joint accounts, the limit of SEK 1 050 000 applies to each depositor.

#### 4) Reimbursement

The Deposit Insurance Scheme operates under the auspices of the Swedish National Debt Office, Olof Palmes gata 17, 103 74 Stockholm, telephone: +46 8 613 52 00, e-mail: [ig@riksgalden.se](mailto:ig@riksgalden.se), [www.insattningsgaranti.se](http://www.insattningsgaranti.se).

The Deposit Insurance Scheme will repay your deposits, up to a limit of SEK 1 050 000, not later than within 7 working days. If you have not received repayment within this time, you should contact the Deposit Insurance Scheme since the time to claim reimbursement may be barred after a certain time limit. Additional information is available at [www.insattningsgaranti.se](http://www.insattningsgaranti.se).
